Attached are the BENM memo, proclamation, and map. Note that the memo has four attachments (1) the draft proclamation, (2) the map, (3) the bibliography, and (4) the June 10, 2017, BENM Interim Report. Obviously, the first two are attached. We're working with BLM on finishing up the bibliography (that often trails the actual memo and the proclamation we just need to have it by the time it goes "final"). And Downey has the Interim Report I don't believe it was released by DOI.

When we spoke with Downey this morning, the plan was for these documents to go to Downey and David and then over to the WH today. Will you transmit the materials to David and Downey, or do you want us to follow through?

We're making good progress on GSENM and will have drafts of the memo and proclamation later today. BLM is fine tuning the GSENM map. As with BENM materials, the GSENM materials need to be transmitted to Downey and David today.
